Rosa Mexicano Brands Inc. et al.*, pending in the United States District Court, Southern District of New York, Case No. 16 Civ. 05464 (RLE).

RECITALS

WHEREAS, on July 8, 2016, Plaintiffs Edwin Suarez, Carlos Rivas, Ester Jiron and Driss Sene, on their behalf and on behalf of the Class, filed a Complaint against Defendants alleging violations of the federal Fair Labor Standards Act ("FLSA"), the New York Labor Law ("NYLL"), and Massachusetts Wage Laws ("MA Wage Laws") for the alleged failure to pay certain wage amounts, and alleged failure to provide appropriate notices and pay statements;

WHEREAS, Defendants filed their Answer to the Complaint on October 7, 2016 denying the allegations and asserting various affirmative defenses;

WHEREAS, the Parties engaged in significant informal discovery in advance of a mediation pursuant to and subject to the Stipulated Protective Order Regarding Use and Disclosure of Confidential Information entered into by the Parties and "So Ordered" by the Court (see ECF No. 34.), including but not limited to the production of payroll data for all restaurants asserted in the complaint, as well as samples of the following documents from throughout the relevant time period; rate of pay notices (in Spanish and English); wage statements; tip out sheets; time punches; and employee handbook provisions related to wage and hour practices (in Spanish and English); as well as other requested documents sought by Plaintiffs;

WHEREAS, on May 17, 2017, the Parties participated in a private mediation before Martin F. Scheinman, Esq.

WHEREAS, at the May 17, 2017 mediation session, after a full day of extensive negotiations, the Parties reached a settlement and executed a Confidential Settlement Terms Sheet;

WHEREAS, on July 24, 2017, as part of the Parties' settlement, Plaintiffs Suarez, Rivas, Jiron and Sene, on their own behalf and on behalf of the Class, filed a First Amended Complaint adding Immanuel Thornton and Paula Villegas as named Plaintiffs. The First Amended Complaint expanded the matter to include Maryland wage and hour class claims against the Rosa Mexicano restaurant located in National Harbor, Maryland;

WHEREAS, based upon their analysis of a number of factors, including the risk of litigation and the possibility that litigation would not be resolved for several years or might not result in any recovery whatsoever, the Plaintiffs are satisfied that the terms and conditions of this Agreement are fair, reasonable, and adequate and that this Agreement is in the best interests of the Class;

WHEREAS, without admitting or conceding that class and collective action certification is warranted, without acknowledging or conceding any wrongdoing, liability or damages whatsoever, and without admitting that any pay (including minimum wage, overtime pay and gratuities) or notices were not properly made or given, Defendants agreed to this settlement on the terms and conditions set forth in this Agreement, to avoid the burden, expense, and uncertainty of litigation;

NOW, THEREFORE, in consideration of the mutual covenants and promises set forth in this Agreement, as well as the good and valuable consideration provided for herein, the Parties agree to a full and complete settlement of the Litigation, as defined below, on the following terms and conditions:

The Parties agree to cooperate with the Claims Administrator and assist it in any way reasonably possible in administering the settlement. Plaintiffs will submit the preliminary approval motion, including a proposed preliminary approval order, for Defendants' review, comment, and approval prior to the date of filing. Subject to their review and approval, Defendants will not oppose the Preliminary Approval Motion.

2.3 Denial of Preliminary Approval. If the Court denies the Motion for Preliminary Approval, then the Parties jointly agree to seek reconsideration of the ruling or will endeavor to renegotiate the settlement, addressing the issues raised by the Court. Should reconsideration be denied and/or the Parties' attempt to renegotiate the settlement and then secure Court approval of a renegotiated settlement be denied, the parties will return to their positions prior to the settlement and the case will proceed as if no settlement had been attempted. In such a case, the Parties will negotiate and submit for Court approval a case management schedule.

2.4 Final Approval Order from the Court. Plaintiffs will seek to obtain from the Court, as a condition of settlement, a Final Approval Order approving the settlement ("**Final Approval Motion**"). The proposed Final Order will, among other things: (a) finally

certify the Class for purposes of settlement, (b) approve the settlement as fair, adequate, reasonable, and binding on Plaintiffs including but not limited to all Class Members who have not timely and properly opted out pursuant to Section 2.7 and incorporate the terms of this Joint Stipulation of Settlement and Release, (c) dismiss the Litigation with prejudice, (d) approve all releases provided by the Plaintiffs herein, (e) approve Class Counsel's application for an award of attorneys' fees and costs, and (f) approve the Service Payments in accordance with this Agreement. The Court will retain jurisdiction over the settlement until all payments are made.

- (A) The Parties agree that the stipulation of collective action and class action certification is for settlement purposes only. If, for any reason, the Court does not grant final approval of this Agreement, the stipulation to collective action certification pursuant to 29 U.S.C. § 216(b) and class action certification pursuant to Fed. R. Civ. P. 23 shall be void *ab initio*.

2.5 Class Notice

- (A) Within 10 days of the Court's Preliminary Approval Order, Defendants will provide Class Counsel and the Claims Administrator with a list, in electronic form, of the (1) names, (2) last known addresses, (3) location(s) worked, (4) dates of employment and (5) social security numbers of the Class Members, if available, but that such social security numbers shall be contained in a confidential document that the Defendants shall provide to the Claims Administrator only.
- (B) Within thirty (30) days of the Court's Preliminary Approval Order, the Claims Administrator shall mail to all FRCP 23 Class Members, via First Class United States mail, postage prepaid, the appropriate Notice and Claim Form, using each individual's last known address, as recorded in Defendants' records.
- (C) Within thirty (30) days of the Court's Preliminary Approval Order, the Claims Administrator shall mail to all FLSA Class Members who are not also FRCP 23 Class Members, via First Class United States mail, postage prepaid, the Notice and Claim Form, using each individual's last known address, as recorded in Defendants' records.
- (D) No more than thirty (30) days after the initial mailing (*i.e.* - thirty (30) days before the deadline to submit claims), the Claims Administrator shall send a reminder postcard to all Class Members who have not submitted and returned a Claim Form or opt-out request. No more than forty-five (45) days after the initial mailing (*i.e.* - fifteen (15) days before the deadline to submit claims), the Claims Administrator shall send a second reminder postcard to all Class Members who have not submitted and returned a Claim Form or opt-out request.
- (E) The postcards shall provide, "On {INSERT DATE} you were mailed a notice form identifying rights you may have in connection with a class action settlement entitled *Suarez et al. v. Rosa Mexicano Brands Inc. et al.* You may call Armando

Ortiz a lawyer representing the workers at (212) 300-0375 to request a replacement form. The deadline to participate in the settlement is {INSERT DATE}.

- (F) The Claims Administrator shall take all reasonable steps to obtain the correct address of any Class Member for whom the notice is returned by the post office as undeliverable, including using social security numbers provided by Defendants to obtain better address information via skip trace or other method, and shall attempt re-mailings. The Claims Administrator will notify Class Counsel and Defendants' Counsel of any Notice sent to a Class Member that is returned as undeliverable after the first mailing, as well as any such Notice returned as undeliverable after any subsequent mailing(s) as set forth in this Agreement.

2.6 Participating Claimants

- (A) Class Members who wish to become Participating Claimants must fully and timely complete, execute and mail, per the instructions therein, the Claim Form enclosed with the Notice. By executing and mailing the Claim Form, the Participating Claimant shall be "opting in" to the FLSA action pursuant to Section 216(b) of the FLSA. If the Claim Form is not postmarked on or before the Claim Form Deadline, then that Class Member will be deemed to have forever waived his or her right to be a Participating Claimant and receive payment under this settlement. FRCP 23 Class Members who do not submit the Claim Form and Release in a timely and proper fashion and who fail to properly submit an Opt-Out Statement shall be subject to the Settlement and will release all state and local wage and hour claims against the Releasees. Only Participating Claimants shall be entitled to payment pursuant to the settlement and this Agreement, and will be issued a Settlement Check, which will contain a release of their FLSA and an additional duplicative release of their state and local wage and hour claims. Class Members whose notices were undeliverable, or were unable to file the Claim Form before the Claim Form Deadline due to such factors as documented change of address, military service, hospitalization, or other extraordinary circumstances shall have an additional fifteen (15) days beyond the Claim Form Deadline to file a claim form.
- (B) A FRCP 23 Class Member who submits an Opt Out Statement and also submits a Claim Form shall be sent a cure letter by the Settlement Claims Administrator seeking clarification of whether they intend to opt out of the settlement or become a Participating Claimant. Absent a response to the contrary, such FRCP 23 Class Member shall be deemed to have opted-out of the settlement pursuant to Section 2.7.
- (C) Representative Plaintiffs will be deemed to have opted into the settlement and will not be required to return a Claim Form and cannot opt-out of the Settlement and will release all claims regardless of whether or not they cash their Settlement Checks. All Opt-in Plaintiffs will be deemed to have opted into the settlement and will not be required to return a Claim Form and cannot opt-out of the

settlement, and will release all FLSA, state, and local wage and hour claims regardless of whether or not they cash their Settlement Checks.

2.7 NY, MA, and MD FRCP 23 Class Member Opt-Out.

- (A) Any FRCP 23 Class Member, except for Representative Plaintiffs and Opt-in Plaintiffs, may choose to opt out of the Settlement but must mail via First Class United States Mail, postage prepaid, a written, signed statement to the Claims Administrator that states he or she is opting out of the Settlement and includes his or her name, address, and telephone number, and state, "I opt out of the Rosa Mexicano wage and hour settlement" ("Opt-out Statement"). To be effective, an Opt-out Statement must be postmarked within sixty (60) days from the mailing of the Notice to the Class Member.
- (B) The Claims Administrator shall stamp the postmark date on the original of each Opt-Out Statement that it receives and shall serve a copy of each Statement on Class Counsel and Defendants' Counsel not later than three (3) calendar days after receipt thereof. The Claims Administrator shall retain in its files the stamped originals of all Opt-Out Statements and the original envelopes containing Opt-Out Statements.
- (C) Any Class Member who fails to exclude him/herself from the settlement, pursuant to this Section, or whose Opt-Out Statement does not include all required information, or is untimely, shall be bound by the Settlement and terms of this Agreement and release all their state and/or local wage and hour claims against the Releasees.

2.8 FRCP 23 Class Members' Objections to Settlement.

- (A) FRCP 23 Class Members who wish to present objections to the proposed settlement at the Fairness Hearing must first do so in writing. To be considered, such statement must be mailed to the Claims Administrator by a date certain, to be specified on the Notice, which shall be sixty (60) calendar days after the Claims Administrator mails the Notice. To be valid, the statement must contain the name, address and telephone number of the Class Member. It must also contain the words "I object to the settlement in the Rosa Mexicano wage and hour case" and set forth the reasons for the objection. The Claims Administrator shall stamp the date received on the original objection and send a copy of the objection to Class Counsel and Defendants' Counsel not later than three (3) calendar days after receipt thereof. Class Counsel shall file the date-stamped originals of any and all objections with the Clerk of the Court.
- (B) An objector also has the right to appear at the Fairness Hearing either in person or through counsel hired by the objector. An objector who wishes to appear at the Fairness Hearing must state his or her intention to do so at the time he/she submits his/her written objections. An objector may withdraw his/her objections at any

time. Any FRCP 23 Class Member who has requested exclusion may not submit objections to the settlement and an objection does not constitute the filing of an Opt-out Statement.

- (C) The Parties may file with the Court written responses to any objections no later than seven (7) calendar days before the Fairness Hearing.

2.9 Motion for Final Approval. Fourteen (14) calendar days prior to the Fairness Hearing, Plaintiffs will submit the Final Approval Motion. The Fairness Hearing shall be held at the Court's convenience.

2.10 Entry of Final Approval Order. At the Fairness Hearing, the Parties will request that the Court, among other things, (a) finally certify the FRCP 23 Classes for purposes of settlement, (b) approve the settlement as fair, adequate, reasonable, and binding on Plaintiffs, FLSA Class Members and FRCP 23 Class Members that have not timely opted out, (d) order the Claims Administrator to distribute Settlement Checks to the Participating Claimants, including Service Payments to Representative Plaintiffs, if any, as described in this Agreement, (e) approve the payment of attorneys' fees and costs to Class Counsel, (f) approve the payment of fees and costs to the Claims Administrator; (g) dismiss the Litigation with prejudice, (h) enter an order permanently enjoining the Representative Plaintiffs and all Class Members from pursuing and/or seeking to reopen claims that have been released pursuant to this Agreement, (i) incorporate the terms of this Agreement, and (j) retain jurisdiction over the interpretation and implementation of this Agreement, as well as any and all matters arising out of, or related to, the interpretation or implementation of this Agreement and of the Settlement contemplated thereby.

2.11 Effect of Failure to Grant Final Approval. In the event the Court does not enter a Final Approval Order in accordance with this Agreement, or such Final Approval Order does not become Effective as defined herein, or the Court issues an order finally approving the Agreement in a form materially different from this Agreement, the Parties jointly agree to (a) seek reconsideration of the decision denying the Final Approval Motion, or (b) attempt to renegotiate a mutually agreeable settlement to address the issues raised by the Court and seek Court approval of the renegotiated settlement. In the event any reconsideration is denied, the Parties cannot reach a mutually agreeable settlement, or a mutually agreed upon settlement is not approved, the Parties shall have no further rights or obligations under this Agreement and:

- (A) The Litigation will proceed as if no settlement had been attempted and the Parties will return to their positions prior to the settlement.
- (B) The Claims Administrator will provide notice to Participating Claimants that the Agreement did not receive final approval and that, as a result, no payments will be made to each Participating Claimant under the Agreement. Such notice shall be mailed by the Claims Administrator via First Class United States Mail, postage prepaid, to the last address used by the Claims Administrator in mailing the

Notice. The Parties will equally share the cost of such notice, and of the prior notices.

- 2.12 Discretionary Termination by Defendants Due to Opt-Outs.** In the event that seven and one-half percent (7.5%) or more of all FRCP 23 Class Members, excluding the Plaintiffs and Opt-in Plaintiffs timely opt out of the Agreement pursuant to Section 2.7, any Defendant may, at their sole discretion, elect to void the Agreement prior to the Fairness Hearing by informing Class Counsel or the Court in writing. If Defendants chose to exercise termination under this section, they will be solely responsible for all costs of the notice informing the Class Members of such termination.

3. SETTLEMENT TERMS

3.1 SETTLEMENT PAYMENT.

- (A) Defendants agree to pay up to the Gross Settlement Amount of Three Million Six Hundred Thousand Dollars and Zero Cents (\$3,600,000), which shall resolve and satisfy: (a) Court-approved attorneys' fees and costs; (b) all Individual Settlement Amounts to be paid to Participating Claimants; (c) any Court-approved service payments to Representative Plaintiffs; (d) any and all fees and expenses related to the Claims Administrator; and (e) any other costs, expenses, fees or other distributions associated with the settlement. Other than the Employer Payroll Taxes described in Sections 1.14 and 3.6(G) to be paid outside of the settlement, Defendants will not pay more than \$3,600,000.
- (B) Defendants shall deposit the Settlement Payment into the Qualified Settlement Fund within thirty (30) calendar days after the Effective Date.
- (C) Within thirty-five (35) calendar days after the Effective Date, the Claims Administrator will distribute the money in the QSF by making the following payments:
 - (1) Paying Class Counsel's Court-approved attorneys' fees and costs as described in Section 3.2(A).
 - (2) Paying the Claims Administrator's Court-approved fees and costs as described in Section 3.3(A).
 - (3) Paying the Court-approved Service Payment to Representative Plaintiffs as described in Section 3.4(A).
 - (4) Paying Participating Claimants their portion of the Net Settlement Fund as described in Section 3.5.

3.2 Settlement Amounts Payable as Attorneys' Fees and Costs.

- (A) Prior to the Fairness Hearing, Class Counsel shall petition the Court for no more than one-third of the Gross Settlement Amount (\$1,200,000) as an award of

attorneys' fees and costs. The attorneys' fees are to compensate Class Counsel for all work already performed in the Litigation, and all the work remaining to be performed in documenting the settlement, securing Court approval of the settlement, making sure the settlement is fairly administered and implemented, and obtaining dismissal with prejudice of the Litigation. The approved attorneys' fees and costs shall be paid from the Gross Settlement Amount. Defendants will not oppose such application so long as it does not increase Defendants' total monetary obligations under the Settlement.

- (B) The substance of Class Counsel's application for attorneys' fees and costs is not part of this Agreement and is to be considered separately from the Court's consideration of the fairness, reasonableness, adequacy, and good faith of the settlement of the Litigation. The outcome of any proceeding related to Class Counsel's application for attorneys' fees and costs shall not terminate this Agreement or otherwise affect the Court's ruling on the Final Approval Motion. Any monies under Section 3.2(A) not approved by the Court become part of the Gross Settlement Fund and will be allocated pro-rata to the Class Members.

3.3 Claims Administrator's Fees and Costs

- (A) The Claims Administrator's costs and expenses shall be paid out of the settlement. Prior to the Fairness Hearing, Class Counsel shall petition the Court for reimbursement of the reasonable costs and expenses of the Claims Administrator from the Gross Settlement Amount, which shall not exceed Fifty Thousand Dollars (\$50,000). Defendants shall pre-pay Twenty-Five Thousand Dollars (\$25,000) to cover the claims administrator's expenses, which shall count toward the Gross Settlement Amount. Defendants will not oppose such application, so long as it does not increase Defendants' total monetary obligations under the Settlement. In the event the Court does not enter a Final Approval Order in accordance with this Agreement, or such Final Approval Order does not become Effective as defined herein, or the Court issues an order finally approving the Agreement in a form materially different from this Agreement, the Parties shall equally pay any of the Claims Administrator's costs accruing pursuant to this Agreement.
- (B) The substance of Class Counsel's application for the Claims Administrator's fees and costs is not part of this Agreement and is to be considered separately from the Court's consideration of the fairness, reasonableness, adequacy, and good faith of the settlement of the Litigation. The outcome of any proceeding related to Class Counsel's application for these fees and costs shall not terminate this Agreement or otherwise affect the Court's ruling on the Final Approval Motion. Any monies not approved by the Court become part of the Gross Settlement Fund and will be reallocated to the Class Members.

3.4 Service Payment to Representative Plaintiffs.

(A) Class Counsel will seek Court Approval for Representative Plaintiffs Edwin Suarez, Carlos Rivas, Ester Jiron, Driss Sene, Paula Villegas, and Immanuel Thornton to receive service payments each to be paid out of the Gross Settlement Amount for services rendered to the Class. Class Counsel will apply for the following "Service Payments": Edwin Suarez (\$10,000); Carlos Rivas (\$10,000); Ester Jiron (\$10,000); Driss Sene (\$10,000); Paula Villegas (\$7,500); and Immanuel Thornton (\$2,500).

(B) Class Counsel's application for Service Payments is not part of this Agreement and is to be considered separately from the Court's consideration of the fairness, reasonableness, adequacy and good faith of the settlement of the Litigation. The outcome of the Court's ruling on the application for the service payments shall not terminate this Agreement or otherwise affect the Court's ruling on the Final Approval Motion. Any monies not approved by the Court become part of the Gross Settlement Fund and will be reallocated to the Participating Claimants. Defendants will not oppose such application so long as it does not increase Defendants' total monetary obligations under the Settlement

3.5 Distribution to Participating Claimants.

(A) Only Participating Claimants will be deemed eligible for a payment hereunder.

(B) Participating Claimants shall be entitled to receive a proportionate share of the Net Settlement Fund allocated below to the Class Members in the Class(es) they are members of:

- (1) NY FRCP 23 Class Members: \$1,190,000 of the Gross Settlement Fund ("NY Allocation").
- (2) MA FRCP 23 Class Members: \$290,000 of the Gross Settlement Fund ("MA Allocation").
- (3) MD FRCP 23 Class Members: \$185,000 of the Gross Settlement Fund ("MD Allocation").
- (4) FLSA Class Members: \$595,000 of the Gross Settlement Fund. ("FLSA Allocation," and with the NY Allocation, MA Allocation, and MD Allocation, the "Allocations").
- (5) Reserve Fund: \$40,000 of the Gross Settlement Fund shall be set aside from the Settlement Fund to cover errors and omissions, including but not limited to individuals who should have been included in the Class list or whose dates of employment were incorrect. The reserve fund shall remain open until the check void date.

- (C) A Participating Claimant's proportionate share of the Allocations in Section 3.5(B) allocated to the Class(es) they are members of, shall be determined by the Claims Administrator pursuant to the following formula:
- (1) NY FRCP 23 Class Members: 1 point per week for every week worked in a Covered Position in any Rosa Mexicano restaurant in New York between April 7, 2010 through May 17, 2017 under the NY Allocation.
 - (2) MA FRCP 23 Class Members: 1 point per week for every week worked in a Covered Position in any Rosa Mexicano restaurant in Massachusetts between April 7, 2013 through May 17, 2017 under the MA Allocation.
 - (3) Maryland FRCP 23 Class Members: 1 point per week for every week worked in a Covered Position in any Rosa Mexicano restaurant in Maryland between April 7, 2013 through May 17, 2017 under the MD Allocation.

 - (5) Opt-in Plaintiffs shall receive one (1) extra point for each week worked during their Class Periods.
 - (6) To calculate each Class Member's proportionate share of the Allocations:
 - (i) Add all points for all Class Members, including but not limited to any points that would have been given to individuals who timely opt-out of the Settlement, within each of the Classes together to obtain the "Total Denominator" for each of the Classes;
 - (ii) Divide the number of points for each Class Members awarded in each Class by the Total Denominator for each Class to obtain each Class Member's "portion of the allocated Settlement Fund" in each Class.
 - (iii) Multiply each Class Member's portion of the allocated Settlement Fund in each Class by the allocated Net Settlement Fund for each of those classes, and then combine all such amounts together, in order to determine each Class Member's "Individual Settlement Amount."
- (D) The calculation of all workweeks pursuant to this Section shall be based on Defendants' business records. The Claims Administrator's calculations regarding Participating Claimants' proportionate shares of the Net Settlement Fund will be final and binding.

- (E) Nothing herein shall be construed as prohibiting Defendants from remitting the entire Settlement Payment, in whole or in part, prior to the Final Effective Date without penalty.
- (F) Defendants and the Claims Administrator shall exchange such information as is reasonably necessary for the Claims Administrator to make proper tax withholdings and comply with all tax reporting obligations.
- (G) The Claims Administrator shall mail to all Participating Claimants their Individual Settlement Amounts, and any Service Payment to Representative Plaintiffs, within thirty-five (35) calendar days of the Effective Date.
- (H) Participating Claimants will have one hundred twenty (120) calendar days after their check date to redeem their Individual Settlement Amounts and any Service Payment. If Participating Claimants and Representative Plaintiffs do not redeem their Individual Settlement Amounts and Service Payment within the 120 day period, their checks will be void. If a Participating Claimant or a Plaintiff alerts the Claims Administrator or Class Counsel during the 120-day period to redeem Individual Settlement Amounts or any Service Payment that he or she has not received his or her check or to request a replacement check, the Claims Administrator will, upon confirming that the check in question has not been redeemed, issue a stop payment on the original check and reissue that Participating Claimant's or Plaintiff's check. All reissued checks will be valid for forty-five (45) calendar days after the date of issue and will be void thereafter. Requests for replacement checks after one hundred twenty (120) calendar days of the check's issue date will not be honored.
- (I) Participating Claimants who do not cash their Settlement Checks and/or do not request a replacement check within ninety (90) calendar days of mailing will be sent a reminder postcard by the Claims Administrator.
- (J) The Claims Administrator will cause any uncashed Settlement Checks to revert to Defendants one hundred thirty (130) days after the date a settlement check was sent. The Claims Administrator will cause any remaining monies in the Reserve Fund, QSF, or any other unclaimed monies to revert to Defendants one hundred thirty (130) days after the first settlement checks are sent. This Section is a material provision of this Agreement and not severable from the remainder of this Agreement.

3.6 Taxability of Settlement Payments

- (A) Twenty-five percent (25%) of the payments from the Net Settlement Fund pursuant to Section 3.5 to the Participating Claimants shall be treated as back wages and seventy-five (75%) of the payments from the Net Settlement Fund pursuant to Section 3.5 to the Participating Claimants shall be treated as non-wage liquidated damages, penalties and prejudgment interest.

- (B) Payments treated as back wages pursuant to Section 3.6(A) shall be made net of all applicable employment taxes, including, without limitation, federal, state and local income tax withholding and the employee share of the FICA tax, and shall be reported to the Internal Revenue Service ("IRS") and the payee under the payee's name and social security number on an IRS Form W-2.
- (C) Payments treated as liquidated damages, penalties and prejudgment interest pursuant to Section 3.6(A) shall be made without withholding and shall be reported to the IRS and the payee, to the extent required by law, under the payee's name and social security number or Tax Payer Identification number on an IRS Form 1099.
- (D) Payments of attorneys' fees and costs pursuant to Section 3.2(A) shall be made without withholding. Class Counsel will receive a Form 1099 for this payment.
- (E) Payment of the Claims Administrator's fees and costs pursuant to Section 3.3(A) shall be made without withholding. The Claims Administrator will receive a Form 1099 for this payment.
- (F) Service Payments to the Representative Plaintiffs pursuant to Section 3.4(A) shall not be deemed to be wages and will be made without withholding and reported to the IRS and the payee under the payee's name and social security number on an IRS Form 1099.
- (G) Defendants shall be responsible for any and all applicable Employer Payroll Tax,, such as Defendants' share of the FICA tax and any federal and state unemployment tax due, with respect to the amounts treated as wages pursuant to Section 3.6(A). Any such payroll taxes ordinarily borne by the employer shall be paid by Defendants in addition to the Settlement Payment, and shall not be paid out of the Settlement Payment. The employee portion of all applicable payroll taxes shall not be Defendants' responsibility. Any tax responsibility for the non-wage portions of the payments under this Agreement shall not be Defendants' responsibility.
- (H) The Representative Plaintiffs and Participating Claimants' acknowledge and agree that they are solely responsible for all taxes, interest and penalties due with respect to any payment received pursuant to this Agreement (other than the portion of employer taxes specified in Section 3.6(G)). The Representative Plaintiffs and Participating Claimants acknowledge and agree that they have not relied upon any advice from Defendants as to the taxability of the payments received pursuant to this Agreement under federal, state and local laws and tax codes and regulations but are relying on their own judgment and advice of their own counsel in this matter.
- (I) It is Defendants' intention that all payments provided under this Agreement are excepted from or comply with Section 409A of the Internal Revenue Code of 1986, as amended, (the "Code") as amounts paid as bona fide legal settlements

under Treasury Regulation Section 1.409A-1(b)(11), and this Agreement shall be interpreted, administered and operated accordingly. Notwithstanding anything to the contrary herein, Defendants do not guarantee the tax treatment of any payments or benefits under this Agreement, including without limitation under the Code, federal, state, local or foreign tax laws and regulations.

- (J) Each Representative Plaintiff and Participating Claimant acknowledges that the Claims Administrator must report to the Internal Revenue Service (as well as state and local taxing authorities, where applicable) all payments made pursuant to this Agreement, and that all such payments will be reported via IRS Form 1099 and Form W-2, as set forth in this Agreement. The Representative Plaintiffs and each Participating Claimant expressly acknowledge and warrant that they are, and shall be, responsible for all federal, state, and local tax liabilities which are attributable to them that may result from the payments under this Agreement, and the Plaintiffs and each Participating Claimant hereby warrants that Defendants shall bear no responsibility for any such tax liabilities, except for the employers' payroll tax contributions (such as FICA) for which Defendants may be liable. The Representative Plaintiffs and Participating Claimants further agree to indemnify and hold Defendants harmless to the full extent of any such liabilities, payments or costs, including taxes, interest, penalties, and attorneys' fees which may be assessed against or incurred by Defendants in connection with any payment made to or on behalf of any Plaintiff and Participating Claimant hereunder. The Representative Plaintiffs and each Participating Claimant agree that should any tax liability arise or accrue to any Plaintiff and/or Participating Claimant under local, state, or federal tax law as a result of any payments made under this Agreement, the Representative Plaintiffs and/or Participating Claimant will pay any and all such finally determined obligations without seeking indemnity or reimbursement from Defendants, or any increase in Service Payments, or his or her Individual Settlement Amount, or in the Gross Settlement Amount.
- (K) With respect to payments received pursuant to this Agreement that are characterized as attorneys' fees and/or costs, Class Counsel assumes responsibility of any and all federal, state and local taxes or contributions which may hereafter be imposed or required to be paid under any federal, state, or local law of any kind. As such, although the Parties believe, in good faith, that the tax treatment of all payments set forth in this Agreement are proper and in compliance with applicable IRS regulations, if, notwithstanding such belief, the Internal Revenue Service or any other federal, state or local government, administrative agency or court determines that Class Counsel is liable for any federal, state or local taxes or contributions with respect to any payment received pursuant to this settlement that is characterized as attorneys' fees and/or costs, Class Counsel shall be responsible for said payments and shall hold Defendants harmless for said payments.
